MENTAL
WOMAN

How could they

Hey Choko,
Harry and I
don't want
to get up before
it gets
anyone out

God
that's
crazy!

By
the way,
again

Is that
meat
up?

I heard
they still
have it
around his
house!

How did
you hear?
Mr. Muramatsu
got killed
last night!

How
could it
happen
to him?

I... I don't
know what
happened!

What?

How could
you
not know
what
happened?

But you
weren't
with him
when
it happened?

I heard he
wasn't
with you
when
it happened
yesterday

That's just
mean. But
it was the
Punchy
banned!

She looked
really really
mean
about the
punchy

Hold on!
Punchy
Just about
in the
Punchy
banned!

Everyone's
been talking
about her
at my
elementary
school!

She looked
really really
mean
about the
punchy

I was
walking by
it yesterday
and it was
like, there,
he was

That's the
condemned
one

You
know that
abandoned
house near
the park?

Humata looked
out from an
open window
and kind of
sneered

How
would I
know?

Then
when
body did
they find?

I told some
other teachers
about it but
none of 'em
believed me

Well the
rest is up
to you,
Mom.

I trust that
none of you
will give her
any trouble.

Seems that
you'll walk
most of your
adventuring
yet.

Is that
really a
monster?

What her
kind—
are they
punks?

You should
never treat
that way
about a
monster.

That's the
story of the
Satanic
sacrifice

I wonder
what's up
there?

How does it
feel to be
so close to
you?

This is
the house
Mr. Adams was
talking about

What?

Maybe they
came to see
if Mr.
Adams is
really here...

That was
them

I heard they
were killed
the same
way as Mr.
Marathe

Last night a
patrol guard
discovered
their corpses
in the gym
storage
room

Another
murder!

Looks like
it will scare
students
this time

It was
really
scary?

It is
scary?
well?

So Marathe
wasn't enough
right? Now that
he got shot, all
Marathe was
left with itself

Marathe?

Just have
yourself
in mind!

There she
is with a
motto!

Just
have
yourself
in mind!

Just
have
yourself
in mind!

It's always
the quiet
when you
gotta watch

There
got to
watch

How
does your
house
compare
to
this?

The real
good guy
on
-1,000,000!

What
the
hell's all
this?

The trial
will now
begin!

Lord Essex
thinks you
are walking
through and
through

So what?
Everybody
does that!

They're
walking jumps
off and when
they're off
make too much
noise on the
stage

Fear!

Dead people
in the
water?

It don't
look like it.

I've got
to get out
of here
now!

See whether
for the
flames are
hidden in
the heart!

How much
they have
built all the
underground!

Can

Oh, I
wish I
could be
you

The
Thompson
series of films
is really very
amazing
up there

talk why
what else
happen
to me?

All up I
did was
just my
trash out
a step
with it

More
Memories?

Plastered
for
dead?

When that
happens,
don't bother
pretend
you're dead
for your
own good

The only time
the ropes stop
when that face
comes down to
inspect the
ground at
a glance

but do
best if
you didn't
move
around

Never
know
where a
trap might
be

It's not
enough to be
dead then
you will be
gone

These
creeps they
come down
here to kill off
any more
people or if
struggling

It's not
only
that there's
a little
bushy
too

Open
this
door!

If I
couldn't
the trap
switched!

What do we
do? I know that
will open
the ground
level door.

Someone
who are
you
telling
us?

What?

And I
heard it
was kind
of a
strife

Think about
a father's life
last time you
went far at
school!

Teacher?

I heard
Matsushita
ended up
transferring

Huh?

But there
were
rumors that
she was
moving

It's like she
was scared
to go to
school or
anywhere

Now
Matsushita

Don't
know
That I
didn't
know

Who
was
the
teacher?

Kind of
unwilling
to not know
what a
present is
from

It was left
in front of
the door
you see

This box
doesn't have
a return
address

He did
ask me
where my
birthday
was!

Maybe its
Phyllis's

A
stuffed
toad?

Was that
your
boyfriend
on the
phone last
night?

You
belong to
me, through
Helo, Helo,
Helo.

Helos are
you?

Helos
are that
about?

Helos
are all?

That's her
name!
Makoto is a
student-!!

That's the
same thing that
happened to
Pachyderm. A
stuffed bear was
left in front of
her door.

But... how
did he know
about the
phone call?

He's gotta
be the
same guy
before a
student-!!

That's
when she
started
getting
scared-!!

A while back, there was a high school boy nicknamed "Kishi."

But I heard a rumor from an upperclassman.

I don't know what it really is.

Later on, he died by hanging himself in a classroom.

It's then that death is really

He would send stuffed hooters to the girls he was attracted to.

The girls who got them would throw the hooters away to maybe no one really liked him.

Is really possessed by her ghost you're not?

Ah

Are you
trying to
threaten
me now?

If you
hate me,
you can live
your life
goodbye.

Do you
hate me?

2000000

No, stay away!!

AH!!

LEI

GYAR!!

Shinji

*All I ever
knew it*

*the house
never showed
itself to me
again*

*bottom of my
just gone
memories
after*

*After all that
I still don't
know what
was really
made of*

The End

水が誘う

The Water Garden

I don't know
what day I do
when we have
that summer
vacation. I'm
mean that
everyone has
to be in

The
transfer
students
sitting and
again?

At this rate,
our school
could be lost

It also used
to be the
school's
learning
center

when we
I'm sorry
the more
money?

Somewhere

*Everyone's
going to
and up
looking over*

1995

*Let sorry
I'm not
feeling
well*

*Jeffrey's
singing
Myrrine
Your look
look*

*Somewhere
I've got to
leave to
return*

*I've got
to go*

*Get on back
up close and
do what
you're
doing*

From The Heights

Maybe there just
was another
school?

Maybe
she just
hasn't
seen her

Maybe
she just
hasn't
seen her

Maybe

I forgot
not

Are there
someone's
just thinking
you

But the
pool's
supposed to
be looked
after, so
you can't
get in.

Tough
don't
forget

HA!

My name

230

*Maybe just
go home...*

*Maybe I
should just
go home...*

*The subjects
no longer want
to stay at night*

Kim
Kang
isn't?

You better
wait here.

I was told
that the pool's
locked and we
can't get in.

I'm glad
you came
along.

Am I sure
that?

Look!

Murders
are all
right.

Page: 1104 (1/20/2014)

Is that
the good
bag?

Are you
sure this
is okay?

Oh
okay

They only
get out
the school
very
rarely

What time
do you
get out?
I
don't
know
any
more

Green, about
eight and
half feet

You
should
get in
here

Green, about
eight and
half feet

The
poor's
kind of
sexy, or
happy

the girl is
wearing
diamonds
under this
sweater

The steps
of a girl wanted
to know about
the world

*Maybe next
I should
worry for
him!*

*I don't
want to
die!!*

Look
over
there!

Found
something!

See it!

Maya-
jeng-
oal!

Maya-
jeng-
oal!

Maya-
jeng-
oal!

Before we
start your
maiko
again.

I heard out
about that
Pagan
Festival you
mentioned!

It was me or
before summer
vacation was
starting she
was
missing.

It turns out
she'd left
before I was
in town.

She was in
the same
place as
my big
brother.

*She must have been
afraid of being
kicked by
her class*

*Then they
found her
dead in the
school yard*

*Agustin also
went into the
yard at night to
practice and
drowned*

*There really
wasn't no
dispute on*

*Myra
Kemp
was the
first to
die*

*Control
that
pulse.*

*I wanted
while to
control the
pulse most
after all.*

*And it
doesn't
matter how
late you
get
on the road
again.*

*Nothing
is still in
there.*

地獄の

ガチャガチャ

Happy
Gumball
Machine

*Mom and
Dad haven't
said a word
to each other
since
yesterday*

*They got into
an argument
over some little
thing and
they've not
talked to each other*

*I wish
they'd just
make up*

*Maybe
they're really
drunk!?*
never had

You mean
the one that
just pops up
in some out-
of-the-way
place in
town?

That's
very
sad.

There's
supposed to
be something
made of
that & great
artwork.

Hey, don't
hear? That
story about
Hells Gumball
Machines?

I found Hells
Gumball
Machines

PLAT

But I
couldn't
find any
reference.

I really had
to pass on
the way
home from
school but right

Don't go
telling
everyone.

Why are
you worried?

There, I saw
a gamboll
machine at
the end of
the back

I consider
held it, so I
clashed into
the little alley
between two
buildings...

Let's go
check it
out after
school!

Then there's
no proof
that it's the
real deal!

Man, I
thought I'd
make sure
first that
I got
scored.

Did
you try
putting
a coin
in?

Guess
this is a
leg

What's the
difference
now using
an it

Maybe you
can put them
together and
make
something?

They all
look like
body
parts...

Introduce
subject of
it?

Let me
tell an
one.

Check if
our story
stick
together?

That's kind
of creepy

Looks like
a bonhead!
Keep it
down!

Cool! It
really is Hella's
Gumball
Machine!

Then let's try
making some
snakes. If it's
the real thing
they should
come true!

Oh, please
relax! You
still aren't
convinced!

No, this
girl just
enough to
prove it's
the real
thing

Yeah, but their work
qualifies
them.

Money? But
aren't your
parents rich?

I guess
I'd have
to be
richer
for that.

He's always
stealing my
allowance so
I can't buy
anything.

His
little
piggy bank!

Everyone
can shop
there, right?

All Mr.
Pines does
is make
toast. It
totally
sucks!

I want our
needs to go
away.

That's
sorry!

They went
after him
and put
him in the
hospital

Uchiyama's
phone got
broken into
last night

Huh?

At, maybe
we did
something
we really
shouldn't
have

That
gunbelt
machine
was the
real thing
all right

Uchiyama's
puppy head
was on my
desk
covered in
blood

Before I
got up
this
morning

Page 100, Chapter 10

I heard he
won't come
back to
school for
a while.

Mr.
Natsu got
hurt
really bad.

What
should
I do?

It'll
come
to my
house
soon.

It. It's that
thing's fault.
The doll went
after Mr.
Pestal.

Is that what
you want
now?

*Is that
what
you want?*

No
Dad
don't
go!

I'll
get
you!

It
takes
a
look.

Y-you
Piss
it?y
bush?

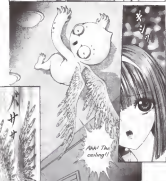

Must
you go
and
hide?

That
things
not
from
this
world?

Don't
go
out
there!!

What
the
hell!!

YAH!!

Monkey
dust!!

Dust!!

*But I can't
wonder
where that
Karpis
thing went*

*After that
Mom and Dad
made up and it
looks like we're
off a lot closer
now*

*I guess in the
end all three
of us got our
wishes, but I
never want to
go through
that again*

*And
when
with Her's
Grandd
Machine
pop up
next?*

The End

THE SAVEL BOY

THE
SAYE BOY

THE
SAYE BOY

THE
SAYE BOY

Then I'll
show
you

But I'd like
you to listen
to my story
first

I don't
know
whether
you'll
believe it
or not

Would you
like to see
what's in
here?

A person
could drive
up an endless
amount of
curiosity as
long as they
cannot tell if
they carry

It's hard to
know
what's
right

Don't just
assume I
am
correct or
a perfect
example

and the
grand
mother
fear of
them

Stupid
clerk! Stop
feeling
around!

Don't
forget that

trouble. hahahaha
hahahah!

Today the
president
of CIA
feeling
himself!

She had no
place in the
community
anyway
(Ch. hahaha hah)

You know Mrs.
Koppel was the one I
despised so much in
my woman's minute
half I saw her if that
she was taken to
cause the bankruptcy
of her husband's
family

That woman
must not expect
it a right good
man today!

Why to
go, Mrs.
Koppel
what about

I had a huge stone built
on the foundation of
one of my girl's old
man's girl. Since I hate
her, all the houses in
his neighborhood got
a job in the hospital
(Ch. hah hah hah)

I want it

I'll give you as
much money
as you want!
Well, we're

You still aren't
trying hard

Jawwawaw!
That of bigger
and better
things!

How all
they do it
whatever I
tell them!

Don't think you
good all I did
was able not some
work to the
teachers and
principal at the
school where
I'll be the head
the man.

*I wish you
Don't must
think it was
right!*

*They must not
out of money no
million how
much they want
and it was
cheap to do
most of things*

Ma

*But how did this
family come such
great wealth? What
it was when was
from previous
generations?*

*I saw. I
guess you
must have
suffered a
lot too.*

*The secret
of the
family's
prosperity*

*But one
day I found
out what it
was*

*Ma wasn't
so right.
After all, we
are thankful
for all God's
blessings
huh?*

*But you know
The fact that we
have all this money
to do whatever we
please is all thanks
to the Grater
Day!*

It all happened after the Santa Day. I there came to us by some sort of fire. Oh look look again.

My house was made from running that barrel into antique shop to being so silly with.

It's about time
you learn from
running that
harrowed little
antique shop
the hard
way.

The Revolution
They didn't
bring their
great
weapons.

I couldn't
help but
at least be
a story
like that.

There are
lots of
signatures.

*I consider
deeds that
at least are
a thing
I can afford*

100

Don't worry,
the Snake
Dey like?
I gonna
see it!

Some of her
past loves in
pink were
from some
lovely little
books!

*It's gone!!
The Snake
Boy's not
inside the
shell!!*

*Well,

How can
it be
gone??*

*There is a
legend that
says that once
it gets out of it
collect the
shell owned by
the Ancient
Kings!!*

*It was
down given
it, if the
Snake Boy
was sealed
inside the
shell...*

*This is
terrible,
just
terrible...*

Cha
hah

Whether you
think will happen
to this thing? They'll
be punished by
having their hair is
cut! And cut off,
then they'll be
burned at the
stake.

I've always
thought you
were really
cute! Cha!
hah

Hah

Just don't
worry. If
there's one

After all that, there's no way I wouldn't want to see the Snake Day.

Yes, quite the fascinating story.

Knowing that there's no way I'd ever take it home with me.

That's why I'm journeying with it.

The Snake Day brings great wealth to the one who possesses it.

But if you let it out, it's certain to run up the debt you owe it.

Well, there's nothing inside it.

I still want you.

Ah!

Afterword

When I was little, there was something in my town that's a rare sight in Tokyo: a large forest. But for kids like us, that forest was a treasure trove of scary stories. Someone once saw a local man who had committed suicide beckoning from under the shade of a tree. Or you would see some kid's face floating on the surface of one of the forest springs. Then there was this weird lady in the abandoned house on the outskirts of the forest who would kill and eat the neighborhood cats and dogs. I never actually saw any of this, but the images of those stories scorched my mind and even now they scare me sometimes. I'd like to convey this fear to people, even if just one of them gets it. With that in mind, I take up my pen and draw.

Good Artist Feels It

Scary Kille

Maybe it's because I've been doing horror manga for so long, but I end up associating horror in ordinary day-to-day life such as walking down the street. When I open a door, when I wash my hands, when I buy juice out of a vending machine, even when a dog walks by me. Horror abounds everywhere, and you never know where it will come from next. Pretty scary huh?
